

Tumult

Starkweather

Goddamn you!Haven't let you in 'cause I'm in you

Haven't let you in 'cause I'm in you

Must have been a bitch, must have been a pain

Take me off the innocent

Put me in your veinIt's improbable

Yeah, it's improbableHaven't said a word 'cause you're still on

Haven't said a word 'cause you're still on

Mustn't take offense, mustn't take a bow

Used to be a derelict

Now I have to live with itIt's improbable

Yeah, it's improbable

Yeah, it's improbable

Yeah, you came back, but I know better boyTrip my light fantastic

Rub me in your wound

Well I'm not broken, I'm not plastic

I'm no whore

Used against me, use me up againIt's improbable

Yeah, it's improbable

Yeah, it's improbable

Yeah, you came back, but I know better boySometimes I think I'm crazy, other times I know I'm notGot no
time to time to time, once again

Got no time to time to time, once again

Got no time to time to time, once againYou don't want me, you don't need me
