Straight Shooter

Skylar Grey

Married into this family and I'm datin' a bunch of outlaws
Even the children drawing guns out of little crayon box
Playing with scissors, cuttin' straight to the point
Don't need to beat around the bush, we takin' shots to the groinTake what I want, take what I need, and do it all with dignity
Say what I want, say what I need
And I don't need you to agreeI don't spit before I fuck it gotta
Got a hand on my pistol in my pocket
I don't play nice, I'm not a shit-talker
I'm a straight shooter now just give me the money, honey
Straight shooter now just give me the money, honey
Straight shooter now just give me the money
Got a hand on my pistol in my pocket
I'm a straight shooter and just give me the money, honeyI ain't kissin' no ass but I'm makin' out like a bandit
I'm brutally honest when I'm mouthin' off, here's a bandage
They say I'm savvy for my age and savage as any devil
But at least I'm no imposter strapped in Jesus sandalsTake what I want, take what I need, and do it all with dignity
Say what I want, say what I need
And I don't need you to agreeI don't spit before I fuck it gotta
Got a hand on my pistol in my pocket
I don't play nice, I'm not a shit-talker
I'm a straight shooter now just give me the money, honey
Straight shooter now just give me the money, honey
Straight shooter now just give me the money
Got a hand on my pistol in my pocket
I'm a straight shooter and just give me the money, honeyDear, all the beauty with the lonely frames
Who whispers every word you want to hear
Evil is either underneath our graves
And poison all the flowers in her hairI don't spit before I fuck it gotta
Got a hand on my pistol in my pocket
I don't play nice, I'm not a shit-talker
I'm a straight shooter now just give me the money, honey
Straight shooter now just give me the money, honey
Straight shooter now just give me the money, honey
Got a hand on my pistol in my pocket
I'm a straight shooter and just give me the money, honey
