Christmas Waltz

Pam Tillis

Frosted window panes
Candles gleaming inside
Painted candy canes on the treeSanta's on his way
He's filled his sleigh with things
Things for you and for meIt's that time of year
When the world falls in love
Every song you hear seems to say"Merry Christmas
May your New Year's dreams come true"
(May all your dreams come true)
And this song of mine in three quarter time
Wishes you and yours the same thing tooIt's that time of year
When the world falls in love
Every song you hear seems to say
"Merry Christmas"Frosted window panes
(See them gleaming)
Candles gleaming inside
(With the snow)
Painted candy canes
(See them showing)
On the treeJust look and you'll see, santa's on his way
(That's why sleigh bells are ringing)
He's filled his sleigh
(And that's why were all singing)
With Things
Things for you and for meIt's that time of year
(Time for falling)
When the world falls in love
(So in love)
Every song you hear seems to say
(Happy song)"Merry Christmas
(May all)
May your New Year's dreams come true"
(May may all come true)
And this song of mine in three quarter time
Wishes you and yours the same thing too
(You and yours)
