

Sex Is Not the Enemy

Garbage

Advisory - the following lyrics contain explicit language:

No evolution, sometimes it depresses me
The same old same, oh, we keep repeating history
The institution curses curiosity
It's our conviction, sex is not the enemy A revolution is the solution
A revolution is the solution I don't feel guilty, no matter what they're telling me
I won't feel dirty and buy into their misery
I won't be shamed 'cause I believe that love is free
It fuels the heart and sex is not my enemy A revolution is the solution
A revolution is the solution True love like gold, there's not enough to go around
But then there's God and doesn't God love everyone?
Give me a choice, give me a chance to turn the key
And find my voice, sex is not the enemy A revolution is the solution
A revolution is the solution
Sex is not the enemy A revolution, ooh
