

# Tell Her

## Loop 66

So you say your love's about to end  
You say you can't take no more  
She's out the door  
And you're lookin' for a friend Who am I to tell you why  
But I'm just curious, were you furious  
Or did you swallow your pride  
And look her in the eye and Tell her that you love her  
Tell her that you need her  
Tell her that you want her to stay  
Reassure her with a kiss She may never know unless you  
Show her what you're feelin'  
Tell her you're believin'  
Even though it's hard to say 'Cause she needs to know  
You're thinkin' of her  
So open up and tell her  
That you love her Brother, I've been right where you are now  
And my heart was broke  
'Cause I never spoke  
Those healin' words out loud But I've learned my lesson well  
And now every night  
Before I close my eyes  
I look at my woman and I ask myself Did you tell her that you love her  
Tell her that you need her  
Tell her that you want her to stay  
Reassure her with a kiss She may never know unless you  
Show her what you're feelin'  
Tell her you're believin'  
Even though it's hard to say 'Cause she needs to know  
You're thinkin' of her  
So open up and tell her  
That you love her  
Tell her that you love her Tell her that you love her  
Tell her that you need her  
Tell her that you want her to stay  
Reassure her with a kiss She may never know unless you  
Show her what you're feelin'  
Tell her you're believin'  
Even though it's hard to say 'Cause she needs to know  
You're thinkin' of her

So open up and tell her  
That you love her, oh yeah  
Tell her that you love her
