Lay with Me

Sworn In

Dance with me
I'll make you believe
Dance with me
For eternity
Dance with me
Oh why can't you see
Dance with me
That this is who I'm meant to be
The devil's kiss
I stole the devil's little kiss
And now it's my turn
To watch it all burn
Love is the flowers on top of my grave
Love is the bitter taste of your name
Love is the way I feel like a slave
Tell me is love just a game?
Lay with me, tonight, tonight
I'll dance in your head, alright, alright
And again and again tonight, tonight
One more time to feel alright
Shut up! I love this part
This is where we both fall apart
You say you like my eyes
I should've known
That I'd still feel alone
I'm always alone
Don't think I've grown
This life's just a loan
So baby let me hear one more moan
This life's just a loan
So baby let me hear just one more moan
Lay with me, tonight, tonight
I'll dance in your head, alright, alright
And again and again tonight, tonight
One more time to feel alright
Lay with me tonight
One more time to feel alright
Lay with me tonight
What are you supposed to do

When you can't think straight
When you can't lift the weight
When it smothers you until you can't breath
Are you suppose to leave?
Well I can't
I've tried that
Chewed up and out I was spat
Bad, bad
I'm just a bad taste
Just a fucking waste
Lay with me, tonight, tonight
I'll dance in your head, alright, alright
And again and again tonight, tonight
One more time to feel alright
