

Walk in My Shadow

Free

My throat is dry
My knees are weak
It's so damned hot
I can't even speakWalk in my shadow
I can't take it anymore
When I get you in the shadows
I gonna show you what it's forYes, I know baby
That's a shady kind of deal
I just want to find out
How you feelWalk in my shadow
I ain't gonna take it anymore, oh yes
When I get you in the shadows
I'm gonna give you what's in store, yes I amYes, I know you say, I'm stupid
It just wouldn't be cool
Well, I can tell you baby that I
I ain't no foolWalk in my shadow
I can't take it anymore
When I get you in the shadows
I'm gonna lay you on the floorWhen I get you in the shadows
I'm gonna give you what's in store
Yeah
