4-ever

Nb Ridaz

This song right here
Is dedicated to someone real special
This for you baby
Jus to let you know how much I love you girl
Come here
[CHORUS]Have I ever told you lady?
That you mean the world to me
And you know I'm gonna love you forever
Forever you and me
Have I ever told you baby?
That you're always on my mind
And you know I'm gonna love you forever
Until the end of time.
You say you love me pretty lady and you're down me
And so I, I made this promise girl to always be your everything
Turn down the lights the music up and put your hand in mine
And let me show you girl these feelings that I hold inside
Never wanna be without you girl 'cause you're my pretty lady
I lose my mind every time your kisses drive me crazy,
So tell me baby do you feel for me what I feel for you?
Do you love me girl like I love you para siempre
[CHORUS]Have I ever told you lady?
That you mean the world to me
And you know I'm gonna love you forever
Forever you and me
Have I ever told you baby?
That you're always on my mind
And you know I'm gonna love you forever
Until the end of time.

Hey pretty girl you know I love you can't stop thinking about you
Always and forever you and I will be together
The love I have for you until I die I will treasure
Every minute every hour can't stop thinking of you
My days wont be complete without a smile from you
Hold my hand understand your the light of my life,
You're my girl my friend that's why I made you my wife
[CHORUS]Have I ever told you lady?
That you mean the world to me

And you know I'm gonna love you forever
Forever you and me
Have I ever told you baby?
That you're always on my mind
And you know I'm gonna love you forever
Until the end of time.
Now if I've never said it then imma say it now
In front of the whole world baby girl imma say it proud,
I'm still in love with you, even through the things that we've been through
I can still smile I can still say my heart belongs to only you now
I breathe and live for you and my kids
We've been through the rain the love and the pain,
Little sunshine in the end how the fairy tales end
Happily ever after forever Imma be your man
[CHORUS]Have I ever told you lady?
That you mean the world to me
And you know I'm gonna love you forever
Forever you and me
Have I ever told you baby?
That you're always on my mind
And you know I'm gonna love you forever
Until the end of time.
