

Fortitude

Chocolate Genius

WHEN THIS ENGINE STARTS
IT AINT RUNNING OUT OF GAS AGAIN
LOVE YOU LIKE A CLOWN
AT THE GRAVE OF A REAL GOOD FRIEND (by your leave, sir) WE WILL WORSHIP WHAT WE NEED
TO KNOW
MOTHER NATURE WILL TELL US SO
BE SO LIT UP AND READY TO GLOW
CAN'T STOP CAN'T STOP SAY NO
SHE'S SOUTH IN THE KITCHEN
LIFE IS BITCHIN LIFE IS BITCHIN AGAIN
WHAT IS FUN WITH SOMEONE
IF THEY NEVER WANT TO SEE YOU AGAIN?
TIED LIKE A CHAIN
WITH THE SAME SPIN ON IT
YOU WANT TO SAVE FACE
I'D PICK YOUR PANTY UP
BUT I DOUBT IT (so that's where we are so that's where it is?)
