

There Is a Name

Byron Cage

There is a name
There is a name
There is a name
There is a name
Precious name
Bless that name
oh Jesus there is a name
oh Jesus there is a name

There's healing in the name
healing in the name
healing in the name
healing in the name
precious name
bless that name
oh jesus there is a name
oh jesus there is a name

Does anybody love the name
anybody love the name
anybody love the name
anybody love the name
precious name
bless that name
oh jesus there is a name
oh jesus there is a name

glory to that name
glory to that name
name

bless that name
oh jesus there is a name

oh jesus there is a name

I'll forever praise that

--

name

forever praise that name

forever praise that name

forever praise that name

precious name

bless that name

oh jesus there is a name

oh jesus there is a name

oh jesus there is a name

Jesus Jesus Jesus

There is a name

there is a name

there is a name

there is a name

precious name

bless that name

oh jesus there is a name

oh jesus there is a name

oh jesus there is a name
