Movie Star

Cracker

Well, the movie star, well, she crashed her car
But everyone said she was beautiful even without her head
Everyone said she was dangerousWell, the chief of police kept the crime off the streets
Deep in his heart, we all knew he felt differently
We all knew he was an anarchistWell I, I'd like to devour you
But you, you'd probably devour meFor your golden wheat, for your oat bran head
Deep in my heart, girl, you're a beautiful animal
I'll put a tag on your earHere we goWell, the movie star, well, she crashed her car
But everyone said she was beautiful even without her head
Everyone said she was dangerousWell, the chief of police kept the crime off the streets
Deep in his heart we all knew he felt differently
We all knew he was an anarchistWell I, I'd like to devour you
But you, you'd probably devour meWell I, I'd like to devour you
But you, you'd probably devour meGirl, you're a beautiful animal
Girl, you're a beautiful animal
Girl, you're a beautiful animal
