

# Movie Star

## Cracker

Well, the movie star, well, she crashed her car  
But everyone said she was beautiful even without her head  
Everyone said she was dangerous Well, the chief of police kept the crime off the streets  
Deep in his heart, we all knew he felt differently  
We all knew he was an anarchist Well I, I'd like to devour you  
But you, you'd probably devour me For your golden wheat, for your oat bran head  
Deep in my heart, girl, you're a beautiful animal  
I'll put a tag on your ear Here we go Well, the movie star, well, she crashed her car  
But everyone said she was beautiful even without her head  
Everyone said she was dangerous Well, the chief of police kept the crime off the streets  
Deep in his heart we all knew he felt differently  
We all knew he was an anarchist Well I, I'd like to devour you  
But you, you'd probably devour me Well I, I'd like to devour you  
But you, you'd probably devour me Girl, you're a beautiful animal  
Girl, you're a beautiful animal  
Girl, you're a beautiful animal
