

# Good News, Bad News

[George Strait](#)

Well, I've got some good news, can't wait to tell you  
I realized I missed you, since we've been apart  
I just needed time to make up my mind  
But I'm in love with you with all my heart  
And I've got some good news  
I got some bad news, I don't know how to break to you  
I found someone new since we been apart  
I had too much time and he took you off my mind  
And I'm in love with him with all of my heart  
I got some bad news  
And I guess all is fair in love and war  
Someone wins but someone wins more  
You never know what time will do  
All I know is I've got some good news  
I've got some bad news
