

# I'm a Memory

[Aaron Watson](#)

I'm a game that you used to play  
And I'm a plan that you didn't lay so well  
I'm a fire that burns in your mindClose your eyes  
I'm a memoryI'm a love that you bought for a song  
And I'm a voice on a green telephone  
And I'm a day that lasted so longClose your eyes  
I'm a memoryI'm a dream that comes in the night  
And I'm a face that fades with the light  
And I'm a tear that falls out of sightClose your eyes  
I'm a memory
