

# Walking Away

## Lifehouse

The sun goes down as the city lights  
Pave their way through the darkest night  
Raindrops fall as an old man cries  
Never thought to ever think twice  
Of all he had, of all he lost  
A selfish life and guess comes with the cost  
Hey, remember me?  
I remember you walking away  
Hey, remember me?  
I remember you walking away  
Same old streets, just a different name  
Same old house, just the family's changed  
Pickett fence, the window stains  
Freedom spells by a man in chains  
The silence is all we have to give

And the memories of a life, I wish we'd lived  
Hey, remember me?  
I remember you walking away  
Hey, remember me?  
I remember you walking away  
From all that you made  
That you lost or threw away  
Traded in for a brand new life  
But I can't, can't let go, can't turn around  
Hold my head high and walk away  
Hey, remember me?  
I remember you walking away  
Hey, remember me?  
I remember you walking away
