

Black & White

Sara Lugo

2x Chorus:

I'm not black and I'm not white
Something in between and thats alright

Believe me its alright

Verse 1:

I'm not too much of my mother
not too much of my father
so if you wanna go one way
what if i told another
cause that make you right
and it makes me wrong
cause everything i got inside

thats what makes me strong

Bridge:
no matter what Imma be me
no matter what Imma be free
you dont have to accept it but
I hope one day you'll see

2x Chorus:

I'm not black and I'm not white
Something in between and thats alright

Believe me its alright

Imma be me and I wont quit
what you say is what you get

Imma live my life

with no regrets

If you wannna stand out why would you say

Little bit of this Imma little bit of that
Little bit of white Imma little bit of black

I guess that makes me great

Imma love me always

Bridge:

no matter what Imma be me

no matter what Imma be free

you dont have to accept it but

I hope one day you'll see

I'm not black and I'm not white
Something in between and thats alright

Believe me its alright
