

# I Found Somebody

Glenn Frey

I never thought it could happen  
It was the furthest thing from my mind  
I just turned my back on a sad love affair  
Was tryin' to leave it all behindThat's when I met you  
I just couldn't say no  
One look in your eyes  
And I said, here I goI found somebody  
I found somebody to love  
I found somebody  
I found somebody to loveI'd seen so much deceivin'  
I almost stopped believin'  
I'd ever fall in love again  
I was runnin' around hidin' my heart  
Fakin' it with all of my friendsI was down on my luck  
That's when you came along  
You put me back on my feet  
You got me singin' this songI found somebody  
I found somebody to love  
I found somebody  
I found somebody to love  
And she loves me in the midnight hourYou know ever since I found you  
And put my arms around you  
I don't need a doggone thing  
You know that every day is such a beautiful day  
I want the whole world to dance and singSo don't you dare hang your head  
Don't you dare be blue  
If it can happen to me, it can happen to you  
And you'll be singin' this songI found somebody  
I found somebody to love  
I found somebody  
I found somebody to loveI found somebody  
I found somebody to love  
I found somebody  
I found somebody to love
