

Kettle Whistle (Live 1987)

Jane's Addiction

What makes a kettle whistle?
What makes gold precious?
How come some people
They'll show you everything?
How come some people
They don't like nothing at all? Well, I know why
We all want to be
Beautiful too, beautiful too
So beautiful too, beautiful too What makes the baby cry?
What makes a poor baby
Older than a rich one?
And why do we need
To belong to someone else?
Bet you wish you were someone else Well, I know why
We all want to be
So beautiful too so beautiful too
So beautiful too so beautiful too
