

# Run Red Run

## The Radiators

Oh, Red went and bought himself a monkey  
Got him from a pawn shop broker  
Taught that monkey how to guzzle beer  
And he taught him out to play stud poker  
Last night when they were gambling in the kitchen  
The monkey he was taking a beating  
The monkey said Red, "I'm going to shoot you dead  
Because I know that well, you been a cheating."

[Chorus:]

Well, run Red run, because he's got your gun  
And he's aiming it at your head.  
Run Red run, because he's got your gun,  
And he's aiming it at your head.  
You better get up and wail,  
You better move your tail before he fills it full of lead.

Oh, Red jumped up and started to move like a P80-Saber Jet.  
He zoomed around the corner, and he disappeared  
And everybody started to stare.  
The race was on, you know the chase was on  
And Red he was all shook up  
But, let me tell you sport, don't sell that monkey short,  
Because he's a traveling son of a gun.

Monkey trapped Red in a parking a lot.  
Down along the Avenue,  
Monkey said, "Red, you've made a man out of me,  
Now I'm going to make a monkey out of you.  
Give me your car keys, give me your wallet  
Give it to me here, or I'll shoot  
Going to put on your brand new Stetson hat  
And go to town in your new brown suit."
