

Hang On to Me

Fred Astaire

Trouble may hound us, shadows surround us
Never mind, my Dear
Don't be downhearted, when we get started
They will disappear Listen to Brother, while we've each other
There's no need to fear
For like Hansel and Gretel
We will prove our mettle If you'll hang on to me while I hang on to you
We'll dance into the sunshine out of the rain
Forever and a day Don't sigh, we'll get along, just try humming a song
And my, soon we shall hear the bluebird again That's right, hold tight
We're on our way Uphill, until We lose the shadows If you'll hang on to me (doo-doo)
While I hang on to you (doo-doo)
We'll dance into the sunshine out of the rain That's right, hold tight
We're on our way Uphill, until We lose the shadows If you'll hang on to me (doo-doo)
While I hang on to you (ooh-ooh)
We'll dance into the sunshine out of the rain
Forever and a day
We'll make a cabaret
That's all I've got to say
