Make It Mine

Jason Mraz

Wake up everyone

How can you sleep at a time like this

Unless the dreamer is the real youListen to your voice

The one that tells you

To taste past the tip of your tongue

Leap in, the net will appear I don't wanna wake before

The dream is over

I'm gonna make it mine

Yes I, I know itI'm gonna make it mine

Yes I'll make it all mineI keep my life on a heavy rotation

Requesting that it's lifting you up, up, up and away

And over to a table at the Gratitude CafeAnd I am finally there

And all the angels they'll be singing

Ah la la la, ah la la la

I la la la la love youI don't wanna break before

The tour is over

I'm gonna make it mine

Yes I, I'll own itI'm gonna make it mine

Yes I'll make it all mineAnd timing's everything

And this time there's plenty

I am balancing

Careful and steady

And reveling in energy that everyone's emittingWell I don't wanna wait no more

Oh I wanna celebrate the whole world

I'm gonna make it mine

Oh yes I'm following your joyI'm gonna make it mine

Because I, I am open

I'm gonna make it mine

That's why, I will show itI'm gonna make it mine

Gonna make it mine

Oh mine

Yes I'll make it all mine
