

Mr Freeze

Prince Fatty

I'm about to tell you
About a man, I've known
Since I've been able
To open up a refrigerator I am wondering today
In the sun on a boat to Dover
Could you freeze me in
And defrost me when it's over? Mr. Freeze, I feel your chill
As I inhale the urge to kill all my emotions
I ask you please, but all you do is make me sneeze
Mr. Freeze I am wondering today
In the sun on a boat to Dover
Whose shadow it is
That appears as I bend over It's Mr. Freeze, I hear no sound
As I focus on the amount of my emotions
I ask you please, take the lead or let me bleed
Mr. Freeze My temperature is really low now, you're here
But you're not welcome any longer
I will release
I will release Mr. Freeze No bangs, no yells, merely the sea
Is Mr. Freeze inside of me?
No bangs, no yells, merely the sea
Is Mr. Freeze inside of me? No bangs, no yells, merely the sea
Is Mr. Freeze inside of me?
No bangs, no yells, merely the sea
Is Mr. Freeze inside of me? I am wondering today
In the sun on a boat to Dover
How it comes that I feel so high
When I ought to feel lower
