Breaking My Heart Again

Eclipse

Same ol' same
A different name
Toomany times i've been playing this game
I need you
The things thst we do
I'm begging you can't believe it's true
You tease me
I can't break free
I'm on the ground baby can't see
This ain't love no tjis ain't real
It's just something so weird
It's breaking breaking my heart again
It's breaking breaking my heart again
It's breaking breaking my heart
No control
No heart and soul
I've fallen deep down into a hole
I come back
It's dirty and wet
It's one thing i'm gonna live to regret
I can't stop
I can't get enough
This is just a chase for lust
This ain't love no this ain't real
It's just something so weird
I'm lost in this crazy spin
A fight i will never win
Always the same
A different name
Too many times
I've been playing this game
