I get up when I'm down
I can't swim but my soul won't drown
I do believe I got flare
I got speed and I walk on air 'Cause God gave me soul and your rock and roll, babe
'Cause God gave me soul and your rock and roll, babe
And I get so high I just can't feel it
And I get so high I just can't feel it In and out my brain and runnin' through my veins
'Cause you're my sunshine, you're my rain There's a light that shines on
Shines on me and it keeps me warm
It gave me peace, I must say
I can't sleep 'cause the world won't wait 'Cause God gave me soul and your rock and roll, babe
'Cause God gave me soul and your rock and roll, babe
And I get so high I just can't feel it
And I get so high I just can't feel it In and out my brain and runnin' through my veins
'Cause you're my sunshine, you're my rain And I get so high I just can't feel it
And I get so high I just can't feel it
And I get so high I just can't feel it
And I get so high I just can't feel it In and out my brain and runnin' through my veins
'Cause you're my sunshine, you're my rain
