

# Orgasm Is the Enemy

## Waco Jesus

Offensive and insulting exceeding every boundary in search of higher ecstasy living for the moment every day to the fullest anything can be achieved rapid-fire instructions forced into positions demoralizing and degrading and degrading vaginal contractions I regulate your oxygen for an out of body experience normaly can take a fucking backseat deviate from the sexual mainstream the pain intensifies the ecstasy orgasm is the enemy brutalized to pure servitude with humiliation and verbal abuse slavish submission passive obedience absexuality erotic energy of offensive and insulting exceeding every boundary in search of higher ecstasy living for the moment, every day to the fullest anything can be archived rapid-fire instructions forced into positions demoralizing and degrading vaginal contractions I regulate your oxygen for an out of body experience...
