Never Coming Back

Battlecross

Tell me your weak excuse
Of how I never cared to see
The pain you were put through
All you do is point the finger
And through your blameWhat lies in the past
Is never coming backIt's the reality
Of your decisionsYou can't run from the truth forever
It will always beat you in the endAs you stand there
Holding the shattered
Pieces of your life
Chiding everyone
For not protecting you
Believe that you're the martyr
And drowned in your own liesWhat we had
Is never coming back
Never coming back
