You Are Worthy

Worship House

You deserve to be lifted up
For all the thing, you have been doing in our lives
It's by your grace, that is why we sing
Oh worthy God x2

You deserve to be lifted up
For all the thing, you have been doing in our lives
Its by your grace, that is why we sing
Oh worthy God
Oh faithful God

You are gracious,You deserve the glory
You are faithful, holy is your name
You are worthy, to deserve the honor
You are mighty, holy is your name
(Repeat chorus x3)

We come before you
To give you all the honor
For there is no one like you
For there is nobody like you
Faithful God
You are worthy father God
You are worthy Jesus
We humble ourselves before you oh God
To receive more of you
To give you all the honor
To give you all the honor
you are mighty God
The great I am
King of Kings

Holy holy holy x6
You are holy father
holy are you God
Holy is your name

Fill me up
Until I overflow
I wanna run over

(Repeat x8)

Fill us up oh Lord
We need more of you
