The Duckies Do

Barney

Who knows how to paddle all around the pond?
Quack quack quack, the duckies do
Who knows how to waddle all around the lawn?
Quack quack quack, the duckies doThey quack when they talk, they wiggle when they walk
They quack when they're swimming tooQuack quack quack
Let's do what the duckies doHi little ducky
Waddle, waddle, waddleWho knows how to paddle all around the pond?
Quack quack quack, the duckies do
Who knows how to waddle all around the lawn?
Quack quack quack, the duckies doThey quack when they talk, they wiggle when they walk
They quack when they're swimming tooQuack quack quack
Let's do what the duckies do
Quack quack quack
Let's do what the duckies do
Quack quack quack
Let's do what the duckies doQuack quack quack
Quack quack
Quack quack
Quack quack
