

# Heaven

## Mary Mary

I gotta get my self together  
'Cause I got some place to go  
And I'm prayin when I get there  
I'll see everyone I know I wanna go to Heaven  
I wanna go to Heaven  
Said, "I wanna go to Heaven"  
I wanna go to heaven, do you wanna go? Can you picture a place  
Where there's a smile on every face  
And all the worry, all the stressing,  
all the pressure's been erased  
Walking down a street that's golden  
Angels singing, perfect weather  
Everybody's got a mansion  
Y'all it just don't get no better I gotta get my self together  
'Cause I got some place to go  
And I'm prayin when I get there  
I'll see everyone I know I wanna go to Heaven  
I wanna go to Heaven  
Said, "I wanna go to Heaven"  
I wanna go to heaven, do you wanna go? The only way I can explain it  
Is that in life we go through changes  
Though we know it serves a purpose  
Still sometimes it just seems worthless But this race that I'm running  
Whether I run it fast or slow  
Long as I just keep on running  
I'm gonna make it there some day I know I gotta get my self together  
'Cause I got some place to go  
And I'm prayin when I get there  
I'll see everyone I know I wanna go to Heaven  
I wanna go to Heaven  
Said, "I wanna go to Heaven"  
Wanna go to Heaven, do you wanna go? There's a place for us  
One day I wanna see it  
There's a place for us  
And you may not believe it But I'm just living my life  
So I can live again  
Everyday I'm gettin ready  
'Cause I wanna make it in Heaven I gotta get myself together  
'Cause I got some place to go

And I'm prayin' when I get there  
I'll see everyone I know  
I wanna go to Heaven  
I wanna go to Heaven Oh, it gets hard sometimes  
Sometimes I lose my way  
But Lord knows I'm trying  
To get to Heaven someday  
To that beautiful city  
Said, "I wanna go to Heaven" I wanna go to Heaven  
I wanna go to Heaven  
I wanna go to Heaven
