RIOT (Brooklyn Remix)

Mandy Rain

I'm staring at cold walls
Head in my hands, crying by myself
They're closing in on me
I gotta break out of this prison cellI was down on twisted love
And now I'm over that
Can't feel sorry, now I'm fighting backStart a riot
Wanna burn it down to the ground with you tonight
I won't fight it
Gonna raise some hell, going hard with you tonightWhy don't you move it like you stole it
Take it like you own it
Touch it like you want itWhy don't we start a riot
Gonna burn it down to the ground with you tonightSo here's to the good life
I'm ready for action, baby, make your move
I'm breaking that habit
Of giving a damn and it starts with youI was down on twisted love
And now I'm over that
Look at how you turn a good girl badStart a riot
Wanna burn it down to the ground with you tonight
I won't fight it
Gonna raise some hell, going hard with you tonightWhy don't you move it like you stole it
Take it like you own it
Touch it like you want itWhy don't we start a riot
Gonna burn it down to the ground with you tonightI won't fight it
Let me ignite it
With you
Start a riot
Let me light it up
With youStart a riot
Wanna burn it down to the ground with you tonight
I won't fight it
Gonna raise some hell, going hard with you tonightWhy don't you move it like you stole it
Take it like you own it
Touch it like you want itWhy don't we start a riot
Gonna burn it down to the ground with you tonightStart a riot
With you
Start a riot
With youWhy don't you move it like you stole it
Take it like you own it
Touch it like you want itStart a riot

With you
Start a riot
With you
