

Grease

Dog Fashion Disco

(How to access this track, as explained by msiurine3657: it starts before track one; you have to search backwards before track one until you reach negative 2:47)I saw my problems and I'll see the light

We got a lovin' thing, we gotta feed it right

There ain't no danger we can go too far

We start believin' now that we can be who we are - grease is the word

They think our love is just a growin' pain

Why don't they understand? It's just a cryin' shame

Their lips are lyin', only real is real

We stop the fight right now, we got to be what we feel - grease is the wordGrease is the word, is the word that
you heard

It's got groove, it's got meaning

Grease is the time, is the place, is the motion

Grease is the way we are feelingWe take the pressure, and we throw away conventionality, belongs to yesterday

There is a chance that we can make it so far

We start believin' now that we can be who we are~grease is the wordGrease is the word, is the word that you
heard

It's got groove, it's got meaning

Grease is the time, is the place, is the motion

Grease is the way we are feelingThis is a life of illusion, lack of control

Laced with confusion - what're we doin' here?We take the pressure, and we throw away conventionality,
belongs to yesterday

There is a chance that we can make it so far

We start believin' now that we can be who we are~grease is the wordGrease is the word, is the word that you
heard

It's got groove, it's got meaning

Grease is the time, is the place, is the motion

Grease is the way we are feelingGrease is the word, is the word that you heard

It's got groove, it's got meaning

Grease is the time, is the place, is the motion

Grease is the way we are feeling

Grease is the word, is the word, is the word...
