Jesus Brought Me

Thomas L Walker & Totally Committed

Jesus Brought Me

If you wondering how I made it this far
Jesus brought me (Jesus brought me)
Yes, He did (Jesus brought me)
Oh, He brought me (He brought me all the way) all the way
(repeat)

Yea, Jesus brought me (Jesus brought me)
Jesus taught me (Jesus taught me)
Jesus kept me (Jesus kept me)
He never left me (He never left me)
No, no, no, no (He brought me all the way)
He brought me all yea yea
He brought me all (He brought me all the way) the way
Say it again . . .

If you wondering how I made it this far
Jesus brought me (Jesus brought me)
Yes He did (Jesus brought me)
Jesus brought me (He brought me all the way) all the way
Yes He did

If you wondering how I made it this far, yea
He brought me (Jesus brought me)
Oh yea (Jesus brought me)
Oh He brought me (He brought me all the way) all the way

Yea, Jesus brought me (Jesus brought me)
Jesus taught me (Jesus taught me)
Jesus kept me (Jesus kept me)
He never left me (He never left me)
No, no, no, no (He brought me all the way)
He brought me all yea yea
He brought me all (He brought me all the way) the way

Jesus brought me (He brought me)
Yes, He did (He brought me)
My Jesus brought me (He brought me)
The Lord brought me (He brought me)

Thru the storm and the rain (He brought me)
The Lord brought me (He brought me)
Thru heartache and pain (He brought me)
The Lord brought me (He brought me)
Rev. Walker, if you donâ€™t mind (He brought me)
Come on and take your time (He brought me)
Let the people know (He brought me)
That the Lord brought you (He brought me)
He brought me (He brought me)
I said, He brought me (He brought me)
Somebody said (He brought me)
You canâ€™t heal the â€œbig Câ€• (He brought me)
Let me tell you (He brought me)
I had cancer in me (He brought me)
And He brought me (He brought me)
Yes, He did (He brought me)
Healed my body (He brought me)
Now I can tell (He brought me)
Heâ€™s able (He brought me)
To make you well (He brought me)
If youâ€™re out there (He brought me)
Donâ€™t know what to do (He brought me)
Call on Jesus (He brought me)
Heâ€™ll see you through (He brought me)

VAMP
He brought me (oh yes, He brought me from a mighty long way) from a mighty long way
The Lord brought me (oh yes, He brought me from a mighty long way)
Thereâ€™s never been a time, thank you Jesus (oh yes, He brought me from a mighty long way)
That the Lord didnâ€™t make a way (oh yes, He brought me from a mighty long way)
He turned my midnights (oh yes, He brought me from a mighty long way) turned it into day
