

Later

Free Weed

Later

I want to talk it out with you
Try to get my message through
That's not all I want to do

Later

Later

I want to feel your body close
From your head down to your toes
Maybe help you fold your clothes

Later

I want to spread the news, don't want to soft soap you
We're meant to live and love together girl Oh babe
There's nothing I can do, oh darling

I love you

There's no way you can stay home, alone, babe

Later

I want to talk it out with you
Try to get my message through
That's not all I want to do

Later
