Baby Let's Make Some Love

The Penguins

Everyday is just settling in the dust
Unless you come right to me
When the day is gone, and the night has come
With you here beside meAnd then you drown me in desire like an ever burning fire
Sometimes you might think
That I'm playing games with you
'Cause I don't blink
Like a game of cardsI'm the queen of heartsAnd I just can't back out
But if you know the truth
My soul has fallen for you
This is it, I'm only gonna tell you once so save me
Everytime you touch me, kiss me, love me, burn me
I can feel the magic in your touch
I can feel the power of the sun
You touch me, you kiss me, you love me, you kill me
I can feel the breath of life once more
I can feel a love worth dying for
That's all.... Baby that's all....
Oh I know you know, we've been here before
But we just can't move onYou think I'm just a thorn, I need to be rebornAnd so far apart we've grown
And now it's time for me to go
Yet I have to let you know
This is it, I'm only gonna tell you once so save me
Everytime you touch me, kiss me, love me, burn me
I can feel the magic in your touch
I can feel the power of the sun
You touch me, you kiss me, you love me, you kill me
I can feel the breath of life once more
I can feel a love worth dying for
That's all.... Baby that's all....
Everytime you touch me, kiss me, love me, burn me
I can feel the magic in your touch
I can feel the power of the sun
You touch me, you kiss me, you love me, you kill me
I can feel the breath of life once more
I can feel a love worth dying for
That's all.... Baby that's all....
Baby that's all....
