

Casanova

Levert

I ain't much on Casanova
Me and Romeo ain't never been friends
Can't you see how much I really love you?
Gonna sing it to you time and time again

Oh, Casanova, Casanova
Oh, Casanova, Casanova

Every man deserves a good woman
And I want you to be my wife
Time is so much better spent with you, baby
With a woman just like you in my life

So let me love you
Fill you up inside, I want to hold you, baby
So let me squeeze you
Don't you know that I'll get down on my knees for you, baby?

You see, I ain't much on Casanova
Me and Romeo ain't never been friends
Can't you see how much I really love you?
Gonna sing it to you time and time again

Oh, Casanova, Casanova
Oh, Casanova, Casanova

Every time I want to see you
I can't find the words to tell you so
But I love, I love, I love, I love, I love you, baby
And I just got to let you know

How much I need you
Show you what you mean to me each day, baby
So let me hold you
Keep you safe and warm, I'll be your sweetheart, baby

Baby, baby, baby
And when I told you, girl, I'm an average guy
You seem to know just how I really feel 'cause I cannot let go
I need and want you to stay right here with me

But baby, I never knew love until you came along

Oh, Casanova, tell me what to say
Casanova, I can't let you get away
Oh, Casanova, tell me what to do
I ain't no Casanova, I just wanna be with you

Listen, baby
I wanna hold, I wanna squeeze you too
I wanna make sweet love to you
I wanna be there when you feeling low
Never let you go, no, Casanova

Just a man thing
And I want to love you, love you, love you, love you, baby
Oh, Casanova

I ain't much on Casanova
Me and Romeo ain't never been friends
Can't you see how much I really love you?
I'm gonna sing it to you time and time again

I love you
I'll get down on my knees for you, baby
No, I ain't no, I ain't no Casanova
No, Casanova
I'm just a man, baby, Casanova
Can't you understand? Casanova
I'll get down on my knees for you, baby

I wanna hold, I wanna squeeze you too
I wanna make sweet love to you
I wanna be there when you're feeling low
Got to let you know, no, Casanova

I ain't no Romeo, Casanova
I'm just a man, baby

I wanna be a part of your life
I want you to be my wife
I want you there in the day and night
Make it right

I ain't no Casanova
I just wanna be your lover, baby
Casanova, Casanova, Casanova
