

Black Diamond (Peter Criss)

Kiss

Out on the street for a living
Picture's only begun
Got you under their thumb
Hit it Out on the streets for a living
Picture's only begun
Your day is sorrow and madness
Got you under their thumb Who, black diamond
Who, black diamond Darkness will fall on the city
It seems to follow you too
And though you don't ask for pity
There's nothin' that you can do, no, no Who, black diamond
Who, black diamond Out on the streets for a living
Picture's only begun
Your day is sorrow and madness
Got you under their thumb Who, black diamond, yeah
Who, black diamond
