

# Stupid

**Sarah McLachlan**

Night lift up the shades  
Let in the brilliant light in morning  
Steady me now  
For I am weak and starving for mercy Sleep has left me alone  
To carry the weight of unravelling where we went wrong  
It's all I can do to hang on  
To keep me from falling  
Into old familiar shoes How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see Love has made me a fool  
Set me on fire and watched as I floundered  
Unable to speak  
Except to cry out and wait for your answer But you come around in your time  
Speaking of fabulous places, create an oasis  
That dries up as soon as you're gone  
You leave me here burning  
In this desert without you How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see Everything changes  
Everything falls apart  
I can't stand to feel myself losing control  
In the deep of my weakness I know How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see
