

Strawberry Fields Forever

[Todd Rundgren](#)

Let me take you down
'Cause I going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields foreverLiving is easy with eyes closed
Misunderstanding all you see
It's getting hard to be someone but it all works out
It doesn't matter much to meLet me take you down
'Cause I going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields foreverNo one I think is in my tree
I mean it must be high or low
That is the catch you know, tune in but it's all right
That is I think it's not too badLet me take you down
'Cause I going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields foreverAlways know sometimes think it's me
But you know I know when it's a dream
I think I know, I mean, oh yes, but it's all wrong
That is I think I disagreeLet me take you down
'Cause I going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields forever
Strawberry fields forever
Strawberry fields forever
