

Moves (feat. Snoop Dogg)

Olly Murs

[Intro: Snoop Dogg]

Olly Murs

Big Snoop Dogg

You know we 'bout to make moves, ya dig?[Verse 1: Olly Murs]

I walk in the club like a million bucks

First I hit the bar for a couple of shots

Wink at the beautiful women, I think I'm makin' 'em blush

Then I spill my drink tryna cover it up

Got the dad dance moves, they ain't ready for 'em

Got the Batman groove, go steady on them

Hey seÑorita in a beautiful dress

Do you wanna dance? She's tellin' me "yes"[Pre-Chorus: Olly Murs]

I got confidence in myself

But that's just Tequila giving me help

Tryna cover it up, so you never tell

I feel like dancin' with you

[Chorus: Olly Murs]

It's your moves, baby

'Cause I can't dance in the way that you do

But I got that love that you ain't used to, hey

And when the DJ's spinnin' that song that we groove to

Oh my, come and teach me how to dance[Verse 2: Olly Murs]

Slow down!

And DJ, play that track

Check out my kung-fu kicks, like I'm under attack

I wave my arms like this from front to back

But you never seen a bad mother dance like that

Then you're picking me up with a kiss on the lips

Jump into the middle, come on, wiggle your hips

My love, take my hand, I'll give you a spin

Step once, step twice, let the party begin

[Pre-Chorus: Olly Murs]

I got confidence in myself

But that's just Tequila giving me help

Tryna cover it up, so you never tell

I feel like dancin' with you[Chorus: Olly Murs & (Snoop Dogg)]

It's your moves, baby

'Cause I can't dance in the way that you do (yeah)

But I got that love that you ain't used to, hey

And when the DJ's spinnin' that song that we groove to
Oh my, come and teach me how to dance[Verse 3: Snoop]
Dance to the rhythm of the D.O. dog, G and a thug
Watch how I be in the club
Lookin', starin', darin', comparin'
In my book, they say sharin' is carin'
So give me a taste (ha ha)
And make your hips just dip to the bass
And watch me run the line
See what I come to find?[Chorus: Olly Murs & Snoop Dogg]
It's your moves, baby (ya dig?)
'Cause I can't dance in the way that you do (yeah)
But I got that love that you ain't used to (ha ha), hey (Snoop!)
And when the DJ spinnin' that song that we groove to
Oh my, come and teach me how to dance
It's your moves, baby (dance to the rhythm of the D.O. dog)
'Cause I can't dance in the way that you do (in my book, they say sharin' is carin')
But I got that love that you ain't used to (dance to the rhythm of the D.O. dog)
And when the DJ spinnin' that song that we groove to
(you know we about to make moves)
Oh my, come and teach me how to dance (ya dig?)
