I've Got The Music In Me

Heart

Ain't got no trouble in my life
No foolish dream to make me cry
I'm never frightened or worried
You know I always get by.
I heat up
I cool down
Something gets in my way I go around it
Don't let life get me down
Gonna take it the way that I found it
I've got the music in me
I've got the music in me
I've got the music in me
I've got the music in me
I've got the music in me
I've got the music in me

You say that life is a circle
But that ain't the way that I found it
Oh...gonna move in a straight line
Keeping my feet firmly on the ground
I heat up
I cool down
I got words in my head so I sing them
Don't let life get me down
I can't hold onto the blues so I play them
I've got the music in me
I've got the music in me
I've got the music in me
I've got the music in me
I've got the music in me
I've got the music in me
