## I Can't Take It

## **Cheap Trick**

Well I saw you today and realized

How I missed my peace of mind

I feel your breath in my ear

Late at night it's you I always think about That little girl inside of you I once knew
I should have known better

Still the smell of you was on my face
But you were too busy to notice me last nightNow I can't take it alone

I can't make it alone

I can't take it, I can't make it alone
Oh no, oh, oh noThen I tell myself I'll put you down
Don't wanna see your face around
Don't call me up anymore when
I hear your voice it's in my earYou're kissin' on the phone

It makes it all come clearNow I can't take it alone

I can't make it alone

I can't take it, I can't make it alone

Oh no, oh, oh noI try to tell myself, don't need you anymore Don't want you hangin' around my door, oh noNow I can't take it alone

I can't make it alone, I can't take it alone I can't make it alone, I can't take it alone

I can't take it, I can't make it aloneIf it's wrong or right

I can't take it, I can't make it alone

You know how I tried

I can't take it, I can't make it aloneI try tell myself don't need you anymore
I can't take it, I can't make it alone
Oh baby, my pretty baby
I can't take it, I can't make it alone
