

Fade In-Out

Oasis

Said, let's go

Yeah

One, two, three, fourGet on the roller coaster, the fair's in town today

You gotta be bad enough to beat the brave

So get on the helter skelter, bowl into the fray

You gotta be bad enough to beat the braveYou fade in-out, you fade in-out

Without a doubt, I don't see no shine

Today is just a daydream

Tomorrow we'll be cast awayComin' in out of nowhere, singin' rhapsody

You gotta be bad enough to wanna be

Sittin' upside a high chair with the devil's refugee

Is gonna be blinded by the light that follows meShe fade in-out, she fade in-out

Without a doubt, I don't see no shine

Today is just a daydream

Tomorrow she'll be cast awayWe fade in-out, we fade in-out

Without a doubt, I don't see no shine

Today is just a daydream

Tomorrow you'll be cast awaySo get on the roller coaster, the fair's in town today

You gotta be bad enough to meet the brave

Get on the helter skelter, step into the fray

You gotta be bad enough to beat the braveYou fade in-out, you fade in-out

You fade in-out, you fade in-out

You fade in-out, you fade in-out

You fade in-out, you fade in-out

You fade in-out
