Creatures of the Night

Say Hi

Ella's at it again
She wouldn't sleep for the night again
Sailing sofas through the mansion hallsOut there, he looks mean
He's gotta make a big scene
But inside, he's trying to think smallWhy can't we go outside?
Why can't we go outside?
Why can't we go outside?
'Cause there are creatures of the nightWhy can't we go outside?
Why can't we go outside?
Why can't we go outside?
'Cause there are creatures of the night
Tina makes up her bed
Hospital corduroys and thread
Cut off the top but she won't sleep in itSee, once the dust gets calm
The crosswords will be done
She's been well short since 1942Why can't we go outside?
Why can't we go outside?
Why can't we go outside?
'Cause there are creatures of the nightWhy can't we go outside?
Why can't we go outside?
Why can't we go outside?
'Cause there are creatures of the nightWhy can't we go outside?
Why can't we go outside?
Why can't we go outside?
'Cause there are creatures of the night
Why can't we go outside?
Why can't we go outside?
Why can't we go outside?
'Cause there are creatures of the night
