

A World I Can't Live In

[Roger Miller](#)

Once more I've said that I leave you
But once more I'm changing my mind
Yours is a world I can't live in
But without you I can't live in mine You'd rather go places without me
I don't understand you at times
Yours is a world I can't live in
But without you I can't live in mine Could be it's your way of loving
And you don't mean to treat me unkind
Yours is a world I can't live in
But without you I can't live in mine
