

Bring It

Lil' Romeo

lil romeo gametime bring it bring it ~~beat~~ bring it ~~beat~~ bring it ~~bring it ~~ verse 1: heres another one guess whos back the best on west the when it when it to spittin heat on tracks i treat you like you wanna treated cant be defeated ya haters gotta ack the mike can beat richie rich the number one pick the flows pridict i give u
16 everytime i spit ya aint got nothen for this every comes time i leave the booth i come out with a hit how u like me now what me tar it down make way ya i own the crown pay my do's i aint got nothen to lose my jewelry must be twins cause they come in twos ya bring it you cant walk in my shoes i had three moneys jumpin singin my toons have no fear the winnie is here ya been waitin for him to return all year so bring it bring it still holdin it down top of the town aint nothen gonna stop me now chorus: ya aint eady for this am back another radio hit
bring it so so bring it i came along way trust may am here to stay so bring it i payed my do's ya confused i would not lose bring it. kobe and shaq so ge ready ya am sharp like a machetie yall still ball but verse 2: the rule is back the youngest in rap am about to repeat like that be the label ya am ready to rumble theres gonna be trouble am about to my flow so steady yall everyone of my chains is so heavy yall the nonewlimit do this thing real big like mutambo richie rich got more flavor then gumbo like the ice that i wear ya boy gone shine i like the hook dog u shook we can do it back stage keep it off the books am hard to compare u best to be were come on dog am there a lest thing out there. you saw me on tour compation i crumble we can go line for line rhyme for ryhme chorus verse 3: they call me richie rich am the ish shinely aint none of ya messin wit this ever since i got in the game i been doin my thang nothen change everything is the same when u say go am about to blow here i am l-i-l r-o-m-e- keep it jumpin check the billboard for proof play and simple in other words am me am wet like sam cassel am from the sons i bring water to the well call me o who are u u hate on everything i do man right chere watch me raise the roof i the truth franchise like steve real like cmo ya guys better quit ya cant hold raoy jones cause am takin the belt am like p.d am back for ya heath
