

# She's the Bomb

## Pyogenesis

[Music: Flo V. Schwarz, T. Eiermann & W. Maier / Lyrics: T. Eiermann]I'm wishing for the rain to come  
Don't waste our time, too much to say  
Oh, I'm so tired ,can't overlook  
The way you sometimes act[1CH.:]  
Baby, rock me, don't be lazy  
I really hope you will 'coz I need the thrill  
My lady-she's the bombRight here, right now I like it raw  
I'd like to burn it. Yes I want more  
A shameless lady, friend or foe  
Too high to touch me low[1CH.:]  
Baby, rock me, don't be lazy  
I really hope you will 'coz I need the thrill  
My lady-she's the bomb  
[2CH.:]  
Du dub dub dub dub  
Du dub dub dub  
Du dub dub dub dub  
I will let you down today  
Please let me help to find your way  
A shameless lady, friend or foe  
Too high to touch me low[1CH.:]  
Baby, rock me, don't be lazy  
I really hope you will 'coz I need the thrill  
My lady-she's the bomb  
[2CH.:]  
Du dub dub dub dub  
Du dub dub dub  
Du dub dub dub doe
