I've Handled Myself Wrong

Grace Woodroofe

With my back turned, I see the the world
My body full of bricks, no longer a girl
A heavy heart, or so it seems
Now all that's left, I'm bound to broken dreamsOooh
I know I'm not the only one
I know I'm not the only one
Oooh
I know I've handled myself wrong
I know I've handled myself wrongWith my spine curled, I stand up tall
See the innocence and watch it fall
Don't go changed, don't go changing me for good
Even though I, even though I know that I should
Oooh
I know I'm not the only one
I know I'm not the only one
Oooh
I know I've handled myself wrong
I know I've handled myself wrong
