

# I've Handled Myself Wrong

Grace Woodroffe

With my back turned, I see the the world  
My body full of bricks, no longer a girl  
A heavy heart, or so it seems  
Now all that's left, I'm bound to broken dreamsOoh  
I know I'm not the only one  
I know I'm not the only one  
Ooh  
I know I've handled myself wrong  
I know I've handled myself wrongWith my spine curled, I stand up tall  
See the innocence and watch it fall  
Don't go changed, don't go changing me for good  
Even though I, even though I know that I should  
Ooh  
I know I'm not the only one  
I know I'm not the only one  
Ooh  
I know I've handled myself wrong  
I know I've handled myself wrong
