

# Rock & Roll Pussy

## Todd Rundgren

Beat it, beat it, beat your guitar  
Smash it, smash it, 'til it sees stars  
Rip it, rip it, rip it to shreds  
Throw down your axe and then jump into bed  
Get up, get up, get up and see  
Revolution on the TV  
Will you, will you, get your nails dirty  
Or are you only just a

Only just a, only just a, only just a, only just a  
Only just a, only just a, only just a, only just a  
Only just a, only just a, only just a, only just a  
Only just a, only just a, only just a, only just a  
Only just a, only just a, only just a, only just a  
Only just a, only just a, only just a, only just a  
Only just a rock and roll pussy
