

Someday, Someway

S Club 7

Someday, someday,
I'll understand.
I can't stand to see you sad,
I can't bear to see you cry.
If you can't tell me what you need,
All I can do is wonder why.

Chorus

Someday, Someway.
There's no need to cry.
Someday, Someway.
Cos I'll wonder why.
Someday, Someway.
Maybe I'll understand you.
After all you've done for me,
All I really want to do,
Is to take the love you brought my way,
And give it all right back to you.

Chorus

You've taken everything from me.
I've taken everything from you.
I'll love you for the whole night through.

After all you've done for me,
All I really want to do,
Is to take the love you brought my way,
And give it all right back to you.

Chorus

You've taken everything from me.
I've taken everything from you.
I'll love you for the whole night through.

I can't stand to see you sad,
I can't bear to see you cry.
If you can't tell me what you need,
All I can do is wonder why.

Chorus x 2

There's no need to cry,
Cos I wonder why.
Maybe I'll understand you.

Chorus to end
